Dear Cor Meibion Maelgwn Male Voice Choir,

**Thank you; Marie Curie's Light up the Night Event, St Johns Church, 28<sup>th</sup> November.**

On behalf of the Conwy Fundraising Group for Marie Curie, I would like to extend our sincere and heartfelt thanks to you for performing at our recent event at St John's Church, Llandudno, on Saturday 29th November.

Your performance was truly wonderful and played such a vital part in making the evening so special. The atmosphere you helped create within the church was incredibly moving and greatly appreciated by everyone who attended. We are enormously grateful that you gave your time, talent and voices so generously to support Marie Curie.

Thanks to the combined efforts of all involved, the event raised an incredible £763.03, which will help Marie Curie continue providing vital care and support to people living with terminal illness and to their families when they need it most.

We cannot thank you enough for your kindness and support. Your contribution made a real difference and helped make the event such a success.

As we approach the festive season, I would like to wish all members of the choir a very Merry Christmas. I hope the New Year brings you good health, happiness and many more opportunities to share your wonderful music.

With our warmest thanks and best wishes,
